PERSONAL AND CONFIDENTIAL

SUBJECT: Eldon Horton

Dear Randy:

I am sorry to bother you again, but I really must have a little more information.

There was no information on the Confidential Record Sheet that would enable us to identify Mr. Horton.

We do need the approximate age or the birth date, if you have this on an application somewhere. We also need to know his race which is most important if we are to identify him.

Any other personal information you could give me in a letter or written on the edges of my letter would be most helpful.

We appreciate your comments which were secured from the Social Services Department. These are helpful, and since he apparently was never arrested there is nothing more you can give us.

We will place him on the Confidential Files, so that we may make certain he does not get registered in some other council.

Thanks again for your help with the extra information.

Sincerely,

Paul Ernst, Director

Dear Paul:

In response to your letter of May 12 regarding Eldon Horton, I have enclosed a confidential record sheet.

Mr. Horton has moved away from Dillon, Co., perhaps to Denver. As is often the case, he was a bit of a loner, somewhat secretive, and did not permit very many people to get well acquainted with him.

He moves around, and to the best of my knowledge was not convicted of any offense in Dillon or that area. Mr. Horton seems to have problems relating to people, and the social services department of Summit County suspected he was involved in several inappropriate acts, including pedifilia. The Scout leaders of that area were very suspicious of him. As I said, he moved out of town quickly, and we're not sure to where.

Please call if you have questions or need more information.

Sincerely,

Randy D. Larson
